## PRE-EVENT

1. **EMERGENCY ACTION PLAN** (OSAA Handbook, Executive Board Policies) (December 2015) [www.anyonecansavealife.org](http://www.anyonecansavealife.org)

Each full member school shall have an Emergency Action Plan (EAP) in place for responding to life-threatening emergencies in after-school practices and events. Schools are strongly encouraged to utilize the “Anyone Can Save a Life” program, a free, turnkey solution that covers all medical emergencies.

2. **PRE-EVENT SAFETY TIMEOUT:**

- C. Is there an Emergency Action Plan (EAP) for the venue? Who calls 911 and who meets the ambulance (and where)?
- D. Where's the nearest AED?

Visit the [Pre-Event Safety Timeout](#) page for a [printable](#) and [mobile-friendly](#) template to Share to the appropriate coaches and school personnel.

3. **EVENT MANAGEMENT CHECKLIST:** This communication is vital to a successful contest and should take place as soon as the teams are finalized. Each host school should send a completed Event Management Checklist (attached) and a diagram of the seating plan to potential opponents.
4. **GAME TIMES:** Schools need to log on to the OSAA website to submit the time of their game for each playoff round prior to the final site. A location for the game should only be added when the game isn't being played at the host school's campus. Game times are by mutual agreement of both schools participating. If schools cannot mutually agree, the OSAA will make the final decision.
5. **OFFICIALS:**
- A. **First Round:** The host school is to obtain one referee and two assistant referees from the association that services its home games. OSAA will pay the referee and assistant referees through Arbiter Pay. See OSAA Handbook, [Executive Board Policy, Officials – Host School Responsibilities](#) for additional information.
  - B. **Second Round through Semifinals:** One referee and two assistant referees will be assigned and paid by OSAA through Arbiter Pay. Officials have been instructed to contact the host school AD to reconfirm game times and locations prior to the day of the contest. A fourth official will be assigned starting with the quarterfinals.
6. **STATE CHAMPIONSHIPS - HOME TEAM DESIGNATION** (OSAA Handbook, Executive Board Policies) (Revised Fall 2018)

8. **PA SCRIPT:** Please ensure that your announcer has a copy of the attached PA script and reads these announcements. Included is the OSAA's required pre-contest PA announcement, along with additional sportsmanship and sponsor announcements to be read throughout the contest. The script includes information in the case of a need for overtime and penalty kicks.
9. **PROGRAMS:** The host school has the right to produce a roster sheet / game program through the semifinals. These may be handed out or sold by the host school. Team rosters can be printed from the OSAA website by clicking on a school's team page for that sport. Go to Soccer, then Teams & Leagues and click on the school's name to find their team page.

- 2) If schools have not had reserved seating during regular season play, they may not institute such a policy for playoffs.

B. **Ticket Prices: Student is any child age 5 & up through a senior in high school.**

12. **STATE CHAMPIONSHIPS – ADOPTED BALL** (OSAA Handbook, Executive Board Policies)

(Fall 2010)

The OSAA shall require that the officially adopted ball for that sport be used in all state championship contests, first round through final sites.

A. **State Championship Contests at Home Sites.**

1) **Team sports (other than football).**

- a) **Procedure.** Officials shall confirm that the game balls provided by the home team are the officially adopted balls. If the home team does not have the officially adopted ball, officials shall inquire if the visiting team has the officially adopted ball and use them if they are available. If neither team has the officially adopted ball, the contest shall be played, and officials shall report the violation by the host school to the OSAA.
- b) **Penalty.** If no officially adopted balls are available for use at an OSAA state championship contest, the host school shall be subject to fines, forfeiture and/or other penalties as determined by the OSAA Executive Board.

B. **State Championship Contests Administered by OSAA Staff.** Officially adopted balls (Wilson NCAA/NFHS Vivido) shall be provided by OSAA staff administering the contests.

13. **FIELD SET-UP:** Both teams' benches should be placed on the same side of the field. Rain shelters, if available, shall be provided for both teams or neither team.

14. **STADIUM CLOCK:** A stadium clock is not required, but if it is used, it shall be the official time for the contest. If the stadium clock is used, a buzzer or horn must be provided to indicate when time has expired. If your stadium clock does not include a working buzzer or horn, the clock operator should use an air horn to indicate when time has expired. For additional information, see "Clock Operator Instructions" in this packet.

15. **BALL HOLDERS:** Host schools shall provide at least two ball holders.

16. **STATE CHAMPIONSHIP - PRE-CONTEST PUBLIC PRAYER** (OSAA Handbook, Executive Board Policies)

(Fall 2012)

All playoff contests beyond the regular season cutoff date are OSAA sponsored events. It has been legally established that the OSAA is a state actor, and is subject to the same requirements as a governmental agency with respect to compliance with the Establishment Clause of the First Amendment of the United States Constitution. Under rulings of both Federal and State Courts, a pre-contest public prayer at any OSAA sponsored event is a violation of both federal and state constitutions regardless of where the game is played and which schools are participating. Therefore, offering a pre-contest public prayer over a public-address system at any OSAA sponsored interscholastic event is prohibited.

Following are the support group policies as adopted by the Executive Board regarding state championships:

- A. **Admission.** Members of support groups shall be given complimentary admission from game management for contests during which their school is participating. Members shall enter the facility in uniform as a group and must be accompanied by their coach/director for verification.
- 1) **Cheerleading.** The number of cheerleaders permitted is limited to members of the varsity cheer team for that sport season. Venue space, as determined by game management, may limit the number of cheerleaders able to cheer on the sideline. Squad size for routines performed prior to the contest, during timeouts and for halftime entertainment may exceed the venue sideline limit so long as the additional members return to the stands when the contest resumes.
- B. **Pep Band Expectations.** The purpose of performances by pep bands at athletic events is to entertain, promote school spirit and support cheerleaders in providing positive crowd participation activities. All members of the pep band are expected to exhibit the highest standards of good sportsmanship.
- 1) Musical selections including rhythmic percussion cadences in support of cheerleaders may be performed only during the following times:
    - a) Prior to the game.
    - b) During time outs.
    - c) Between quarters or at halftime.
    - d) Following the game.
    - e) Exceptions:
      - (1) Rhythmic percussion cadences in support of cheerleaders may be performed during play at outdoor venues only.
      - (2) No musical selections may be performed during injury time outs.
  - 2) Amplified instruments are permitted at basketball contests unless the State Championship Director determines that space availability or distance to an electrical outlet precludes its use. The State Championship Director has the authority to control the volume of any amplified instrument.
  - 3) If two pep bands are playing at an athletic contest, the groups shall alternate performances and split the halftime. In football, the performance time after a touchdown or point after goes to the band representing the school that has scored regardless of which band performed last. The directors of the two groups shall meet prior to the contest to confirm how the time will be shared.
- C. **Halftime Entertainment.** The following halftime procedures shall be utilized:
- 1) **Basketball.**
    - a) Schools participating in the Basketball State Championships will be given first choice to entertain during halftime intermission of all basketball games. Other schools will be considered in order of application received. It shall be understood that schools not participating in the state championships shall not bring a band.
    - b) All halftime entertainment must be approved by the State Championship Director.
    - c) Individuals or groups shall provide their own equipment for music accompaniment.
    - d) Total halftime entertainment shall not exceed eight minutes.
    - e) Participating schools are to mutually agree on how the eight-minute halftime is to be shared.
    - f) The facilities will not be blacked out nor will fire of any nature be permitted for entertainment.
    - g) Individuals or groups must wear appropriate gym floor shoes.
    - h) Questions concerning halftime entertainment shall be directed to the State Championship Director.
  - 2) **Football.**
    - a) Halftime entertainment shall be approved by game management.
    - b) If special announcer is required for support group performances, previous arrangements shall be made with game management in order to gain access to public address system.

- c) Advisor of the support group shall give exact number of seats needed to game management.
  - d) Total halftime entertainment shall not exceed 14 minutes (See below).
  - e) The game clock shall be in operation during halftime and shall be started at the conclusion of the first half. Clock will show 15 minutes (See below).
  - f) The visiting school support group shall perform first (unless the two schools mutually agree otherwise) and shall be prepared to start performance within 30 seconds after end of first half. Performance by visiting school support group may not exceed seven minutes, including time to get on and off the field.
  - g) The second support group shall be prepared to start performance within 30 seconds after the first support group clears the field. The second support group performance may not exceed seven minutes, including time to get on and off the field (See below).
  - h) The field shall be cleared for mandatory three-minute warm-up drills by the two teams.
  - i) Delaying the start of the second half shall be subject to reprimands and/or penalties by the Executive Board.
  - j) If game management wishes to extend the halftime entertainment per the National Federation Rules Book, two minutes shall be added to each performance (total time of 18 minutes instead of 14 minutes) and clock will show 20 minutes at start of halftime.
- 3) Soccer. Same as for football, except total time for entertainment at halftime is eight minutes (four minutes for each school support group).

- Develop a plan of action to address inappropriate behavior at interscholastic contests. This procedure should be discussed and explained to all involved.
- Make contact with the visiting school's administrator and / or coaching staff.
- Meet and accompany visiting schools and officials to their locker rooms.
- Assure that visiting team and officials' locker rooms are secure.
- Escort officials and visiting team from playing area to their locker rooms at the completion of the contest.
- Provide the same services that are available to the home team to the visiting team, such as an athletic trainer, filming area, access to the press box, whiteboards, etc.
- Provide beverages and food to officials prior to, during and after contests whenever possible.
- Allow only positive cheers that boost their own team / spirit without antagonizing the opponents or the officials.
- Establish a designated area for cheerleaders to stand that causes the least distraction to players.
- Provide students and fans from the visiting school adequate seating and cheering areas. During playoff or rivalry contests, the student sections shall be specifically marked and separated (such as by ropes, pennants, or other barrier) from the general spectator seating areas. In the interest of sportsmanship and positive behavior, the student sections for competing teams shall not be adjacent to each other or directly behind the bench of the opposing team.
- Monitor the music played by bands, performance groups or over the PA system to assure that it is appropriate and is played at the proper time during the athletic contest.
- Have the public-address announcer read a prepared citizenship / sportsmanship message prior to each contest.
- Assure that the announcer acts in a professional manner absent of emotional favoritism and editorial comment.
- Remain at the site upon completion of contest to assure that all needs and concerns are met.
- An administrator from each participating school, the host site administrator and representative of the game officials shall make contact prior to game time to reiterate the site's guidelines for student cheer and spirit groups, discuss the sportsmanship goals of the contest, and confirm the physical location of the school administrators during the contest.

### **INDOOR CONTESTS**

- At least one empty row must serve as a buffer between the floor and the student sections.
- The student sections for competing teams shall not be directly behind either goal or directly behind the bench of the opposing team.
- At no time, should cheerleaders be stationed directly underneath the goal.

Soccer State Championships  
Tie-Breaking Procedures**

***If a contest is tied at the end of regulation time, the following procedures shall be used to determine the winner:***

The referee shall instruct both teams to return to their respective team areas. There will be five minutes during which both teams may confer with their coaches and the referee shall instruct both teams as to the proper procedure.

1. There shall be two, full 10-minute overtime periods – not sudden victory:
    - A. A coin toss shall be held as in Rule 5-2-2d(3).
    - B. At the end of the first 10-minute overtime period, teams shall exchange ends of the field.
    - C. There shall be a two-minute interval between the 10-minute overtime periods.
  2. If the score still remains tied, all coaches, officials, and team captains shall assemble at midfield to review the kicks from the penalty mark procedures:
    - A. The referee shall choose the goal at which all of the kicks from the penalty mark shall be taken.
    - B. Each coach shall select any five players on their roster who have not been disqualified to take part in the kicks. Any player on the roster is eligible. Players do not have to have been on the field of play at the end of overtime, nor are they required to even have played at all during the game; players may be added to the roster at any time per Rule 3-1-3. The list of kickers is to be provided to the nearest official.
    - C. A coin toss shall be conducted. The team winning the toss shall have the choice of kicking first or second.
    - D. Teams will alternate kickers. There is no follow-up kick; the kicker can only kick the ball once. The kick is over once the ball's momentum is spent, it goes out of bounds, or it is retouched by the kicker.
    - E. The defending team may change goalkeepers prior to each kick.
    - F. Following five kicks for each team, the team scoring the greater number of goals from these kicks shall be declared the winner. If, before both teams have taken five kicks, one team has scored more goals than the other could score even if it were to complete its five kicks, no more kicks are taken.
    - G. Add one goal to the winning team's score and credit the team with a victory. An asterisk (\*) may be placed by the team advancing to indicate the advancement was the result of a tie-breaker system.
  3. If the score remains tied after each team has taken five kicks from the penalty mark:
    - A. Each coach shall select five players, different from the previous five kickers who already have taken a kick, to take kicks in a sudden-victory situation. The list of kickers is to be provided to the nearest official. Kicks continue as in the procedures in step 2 above; however, if one team scores and the other team does not within the same pair of kicks, the game is ended without more kicks being taken.
    - B. If the score still remains tied, continue the sudden-victory kicks as in 3.A with the coaches selecting any five players from their team to take the next set of alternating kicks. If a tie remains, repeat 3.A and 3.B until there is a winner.
- During the taking of kicks from the penalty mark, all eligible players from both teams (not including any player disqualified from the game) and their coaches, other than the kicker and the defending goalkeepers, shall be in and around the center circle.
  - If a team has fewer than 10 players available to participate in the tie-breaking kicks from the penalty mark, all available players for that team shall take kicks, as necessary, until all players have done so. If it is necessary for players to take a second kick or more, they may do so in any order. The IFAB "reduce to equate" principle does not apply in NFHS tie-breaking procedures.
  - Refer to the next page for misconduct procedures to be used during the taking of kicks from the penalty mark.

## MISCONDUCT PROCEDURES:

### 1. Cautioned Players

- A. One of the five players listed to take a kick is cautioned **after** they take their kick. That player is not eligible to kick again until one complete set of five kicks has been completed beyond the set of kicks in which the caution was issued. E.g.:
  - (1) Player "X" is one of the first five kickers and is cautioned after taking their kick. Player "X" is not eligible to kick again until the set beginning with the 11<sup>th</sup> kick.
  - (2) Player "Y" is one of the second set of five kickers and is cautioned after taking their kick. Player "Y" is not eligible to kick again until the set beginning with the 16<sup>th</sup> kick.
- B. One of the five players listed to take a kick is cautioned **before** they take their kick. That player is not eligible to kick until the next set of five kicks. Another eligible player not listed in that set of kicks must take the cautioned player's original turn.
- C. When a goalkeeper who is defending a kick is issued a caution before the kick is taken during any set of five kicks, they cannot defend against that kick that has yet to take place and are eligible to defend against the next kick by their opponent. If a goalkeeper is issued a caution after defending a kick that has already taken place during any set of five kicks, they are not eligible to defend a kick until after the next opponent completes their kick. A substitution is permitted for a cautioned goalkeeper.

### 2. Disqualified Players

- A. Any player, including the goalkeeper, who is disqualified may not participate any further and must leave the field of play and return to their respective team area. If their kick is not already completed, an eligible substitute is permitted.

## **CLOCK OPERATOR INSTRUCTIONS**

The home school may use a “visible timing device,” also known as the stadium clock, to keep the time in soccer. The clock operator is the official timer. The clock operator should note the following information:

- High school soccer games have two halves of 40 minutes each. Halftime is 10 minutes. The clock should be set to count down. Many schools will run the clock during warm-ups before the game, counting down to either kickoff or the introduction of the teams and anthem. The pre-game count down is strictly at the discretion of the home school, however.
- If overtime is to be played in case of a tie, there is five minutes allowed between the end of regulation and the start of overtime. Overtime is two 10-minute periods, with two minutes between overtime periods. Once overtime begins, the entire 20 minutes will be played, i.e. there is no “sudden death,” “golden goal,” or “silver goal.”
- The clock starts when the ball is first kicked, not when the referee whistles for the start. The clock is stopped for goals, yellow or red cards, penalty kicks, injuries and any other time that the referees signal for the clock to be stopped.
- The referee should signal for the time to be stopped with a whistle and crossing his/her wrists over their head. Therefore, any time you hear the referee blow the whistle, you should look at the referee to see if they are also signaling to stop the time. Sometimes, referees forget to do this. If you see that a goal has clearly been scored, the referee is giving a yellow or red card, the referee is signaling for a penalty kick or that play has been stopped for an injury, please stop the clock. Restart the clock when the ball is kicked or thrown back into play.
- It is very important that you stop and start the clock at the correct times. The time you keep is the official time for the contest. The referee is also running a back up watch. If the referee feels that the clock was not stopped or started properly, he or she may ask you to reset the clock. In the event of a power failure, get the correct time from the referee after power is restored, during a stoppage in play.
- If you have a public address system available, the clock operator or announcer should use the public address system to count down the last 10 seconds of each half.
- Most clocks have a horn, buzzer or siren that sounds at zero. If yours does not, you should use an air horn to indicate zero at the end of the verbal countdown.

**NATIONAL ANTHEM**

Ladies and Gentlemen, we now ask that you please stand and remove your hats as we honor America with the playing our National Anthem.

**SPORTSMANSHIP (REQUIRED)**

Every student performing here today has had dreams of being a star in their own right. What they never dreamed of, is being ridiculed or threatened for how they look, where they came from, how they worship, or who they love. And yet this happens repeatedly at sporting events across our state. We are better than this. As athletes. As fans. As Oregonians.

In sport, every participant must play by the same rules. Now, so does everyone in attendance at OSAA interscholastic events. Each of us is expected to encourage and contribute to an environment of SAFETY, TOLERANCE, ACCEPTANCE and RESPECT throughout the event. The OSAA calls it being a STAR. And if you can do it, consider yourself a STAR. If you can't, you'll find yourself on the outside looking in at this and potentially any future interscholastic events in Oregon.

We all have a role to play in making events like this a success. So, whether you're on the field or in the stands—play well, play hard, and play fair. Because Greatness...is Hateless.
