SCORING / PLACES AND POINTS - PARA-ATHLETE

Team points will be allocated back to the represented school to be added to their overall team point structure for the girls and the boys. If there is only a single race for an event and the genders are mixed, the points earned by that gender in order of finish for that race will be calculated. For instance, if there are three girls swimming and two boys swimming and the order of finish was girl in first, boy in second, and girl in third; points would be awarded by order of finish with the girl earning first place points and the boy earning second place points, etc.

If the points earned from a para-athlete move a team into trophy consideration and those points overtook another school, dual trophies will be presented for that position.

Example:

- 1st Team A: 80 points (not including para-athlete)
- 2nd Team B: 70 points (not including para-athlete)
- 3rd Team C: 60 points (not including para-athlete)
- 4th Team D: 50 points (not including para-athlete)
- 5th Team E: 48 points (not including para-athlete)

Team's A, B, C and D do not have any para-athletes that qualified. Team E had one para-athlete qualify that scores three team points in an event. Including those points would put Team E in 4th place with 51 points. Team D and E would both receive 4th place state trophies. If a school is already in trophy position and the para-athlete points move a school up (i.e. 3rd to 2nd) a school will receive both trophies.

Excerpt from 2023-24 NFHS Swimming Rules, Rule 7-1, Article 3

Art.3 . . . In all multi team meet scoring, points are awarded for places as follows:

a. Individual Events
