

2016 OR ACDA Adjudication Workshop/Training

8a-3p Saturday 19 November 2016

University of Portland, Portland, OR (specific rooms/locations TBA)

Annual Workshop/Training:

All choral directors interested in becoming a Certified Oregon Adjudicator or renewing their certification are invited to attend the OR Adjudication Workshop/Training will be held from 8a and 3p on Saturday 19 November 2016. This year's Workshop/Training will take place at the University of Portland, Portland, OR.

Purpose:

Participation in this Workshop/Training will familiarize adjudicators with the use of the OR ACDA/OMEA/OSAA approved adjudication system. This system is used at all District/League and Invitational choral festivals in order to qualify the performing ensembles for the annual OSAA High School State Choir Championships. Auditing participants are also welcome to participate so they might improve their adjudication skills and familiarity with the OR ACDA adjudication process/system.

Agenda:

The Workshop/Training format includes listening to recorded examples of choral performances by Oregon high school choirs, discussing adjudication criteria, practice scoring and comment writing, and finally the adjudication of our onsite demonstration choir (TBA). At the conclusion of the Workshop/Training, an experienced panel of experienced State Certified adjudicators will evaluate certification hopefuls based on the following criteria: 1) choral directing and adjudication experience, 2) comment writing, and 3) scoring accuracy. Our 2016 panel of experienced State Certified Adjudicators will be: Debbie Glaze, Tigard/Tualatin & Lake Oswego SDs, PSU; Doree Jarboe, Grant HS, PPS, George Fox University; and Peter Wordelman, EOU, La Grande, OR.

State List:

Our revised list of Certified Adjudicators is updated and placed on the OR ACDA website (oregonacda.org), included in the ACDA Choral Focus (our online OR ACDA member publication, and also kept on file at the OSAA (Oregon School Activities Association). Successful completion of the Workshop/Training will provide Certification for five years. Re-certifying adjudicators will be automatically updated on the Certified list by attending and participating in the annual Workshop/Training. Newly certifying adjudicators will be added to the 2016 OR ACDA/OMEA/OSAA Certified Adjudicator list. After a five-year period adjudicators may take advantage of an additional one-year grace period, but will need to attend another Workshop/Training in order to re-certify.

Registration:

The registration fee (which will include your lunch) is **\$45 payable to Oregon ACDA**. Advance registration will guarantee a place in the workshop. **Current membership in ACDA is required for certification**. Participants who are not current members will need to purchase membership through the ACDA Nationals (email : membership@acda.org).

**You may print this form, fill it out and mail it per address below.
