

Average Daily Membership List June, 1980

High schools in Oregon are classified as AAA (601 and up), AA (201 to 600) or A (up to 200) based on their Average Daily Membership in grades 10-12 on June 30 of the previous school year, as reported to the State Department of Education.

In the case of an all-boy or an all-girl school (each of which is designated with an asterisk), the figure is doubled.

Following are the ADM figures as of June 30, 1980. NOTE: The figures for Glencoe and Hillsboro are first week enrollment since Glencoe is a newly opened school that drew students from Hillsboro.
