

2024-2025 Moda Health Scholarship Recipients

Kamran Ness - Santiam Christian High School

Kamran was heavily involved in his community during his time at Santiam Christian, and lettered in 3 OSAA sanctioned activities, he also served at Kings Valley Charter School by leading youth summer camps and assisting in barbecues at his church.

Serving others became a meaningful way for Kamran to connect with his community. It allowed him to give back, bring joy and a sense of belonging, and meet many community members. He served over 300 people at each barbecue.

Academically, Kamran enjoys hands-on activities, particularly in classes such as Woodshop, Mechanics, and Auto. His project to fix up a boat trailer became a passion and provided an opportunity to apply his problem-solving skills.

Kamran will be attending Linn-Benton Community College this fall.

Addie Herman – Tigard High School

Graduating with a 4.0 unweighted GPA and an IB Diploma, Addie exemplified what it means to be an outstanding OSAA student-athlete. She led youth camps at Tigard for basketball. She also was part of Link Crew and an officer for the National Honor Society.

Community has been a central focus for Addie. Through her involvement with the National Honor Society, she assisted in facilitating projects in the Tigard community. Her club completed 50 community service projects and volunteered over 4,000 hours. Addie's personal project was constructing dog toys out of recycled materials and donating them to a local dog shelter.

Addie will be attending the Colorado School of Mines this fall.
