- 2) Any remaining open lanes will be filled by the next fastest time from District Meet Finals, up to a total of 12 participants. District shall settle any ties for first place.
- 3) **Cutoff Date:** *The automatic qualifiers must be determined by 10pm on Saturday, February 12.*

D. **Para-Athletes:** [\(Para-Athlete Disability Certificate\)](#)

The top nine times statewide from the different Districts Meets combined in the 50-yard freestyle, 100-yard freestyle and 100-yard backstroke automatically qualifies regardless of gender or disability if they meet the qualifying standard times. A **Para-Athlete Disability Certificate** must be provided to the OSAA prior to competing in the district meet. If more than nine students compete in district meets, the OSAA will explore splitting out the events by gender (creating 50-yard freestyle

boys,-50-yard freestyle for girls, 100-yard freestyle for boys and 100-yard freestyle for girls, 100-yard backstroke for boys and 100-yard backstroke for girls).

- 1) The para-athlete divisions will include wheelchair participants and ambulatory participants. Definitions of athletes eligible to compete in this division are as follows:
 - a) Wheelchair: All athletes with permanent physical disability on file with the school. All athletes in grades 9-12 must meet OSAA eligibility requirements.
 - b) Ambulatory: All athletes shall have a permanent orthopedic, neuromuscular or other physical disability. This would include Visually Impaired, Cerebral Palsy, Dwarf and Amputees. Permanent orthopedic impairment shall be verified by a licensed physician and maintained on permanent file at the school. All athletes in grades 9-12 must meet OSAA eligibility requirements.
- 2) It is an expectation that those para-athletes who wish to attempt to qualify are participating in these events during the regular season and that they establish a qualifying time at the league/conference/district qualifying meet. The qualifying time established at the league/conference/district meet will be used to seed as many heats as necessary to accommodate the qualifying field for both events at the State Championships.
- 3) To facilitate training and competition for para-athletes it is recommended that all leagues/conferences/districts should include a para-athlete 50-yard freestyle, 100-yard freestyle and 100-yard backstroke in your event schedules this year. Prior to an event the host school should verify with their invited teams whether or not they have para-athletes who would like to participate in one or both of these events.
- 4) **Cutoff Date:** *The automatic qualifiers must be determined by 10pm on Saturday, February 12.*

SCORING / PLACES AND POINTS - PARA-ATHLETE

Team points will be allocated back to the represented school to be added to their overall team point structure for the girls and the boys. If there is only a single race for an event and the genders are mixed, the points earned by that gender in order of finish for that race will be calculated. For instance, if there are three girls swimming and two boys swimming and the order of finish was girl in first, boy in second, and girl in third; points would be awarded by order of finish with the girl earning first place points and the boy earning second place points, etc.

If the points earned from a para-athlete move a team into trophy consideration and those points overtook another school, dual trophies will be presented for that position.

Example:

1st Team A: 80 points (not including para-athlete)

2nd Team B: 70 points (not including para-athlete)

3rd Team C: 60 points (not including para-athlete)

4th Team D: 50 points (not including para-athlete)

5th Team E: 48 points (not including para-athlete)

Team's A, B, C and D do not have any para-athletes that qualified. Team E had one para-athlete qualify that scores three team points in an event. Including those points would put Team E in 4th place with 51 points. Team D and E would both receive 4th place state trophies. If a school is already in trophy position and the para-athlete points move a school up (i.e. 3rd to 2nd) a school will receive both trophies.
