SUBJECT: OSAA Football Ad Hoc Advisory Committee Update – January 10 Meeting

The Football Ad Hoc Advisory conducted its first public meeting of this school year in a hybrid model with most Committee members in-person at the OSAA Offices and several attendees via ZOOM. The goal of the Committee is to have a finalized recommendation for the OSAA Executive Board's February 5th meeting.

OSAA staff provided a summary of 18 pieces of correspondence received after the group's December work session. During the meeting the Committee received testimony from 21 individuals either in-person or online representing thirteen different schools. At the completion of the testimony, the Committee convened into a work session to discuss a variety of topics, review testimony, and develop a draft of special districts for the 2024 season. Topics discussed include:

DRAFT 2024 Special Districts

The group spent considerable time determining placement of teams in classifications and special districts following written and oral testimony received from member schools (see attached). This includes recommended expansion of the number of special districts at the 3A and 2A classification in recognition of changes made by the OSAA Executive Board at their December meeting. This draft also recommends five special districts at the 5A classification based on the addition of four schools overall. This draft alignment will be revisited at the group's January 24 meeting based on input received and a subsequent recommendation will be sent out following that meeting.

8-Player and 6-Player 1A Football

The Committee spent time discussing 1A football enrollment cutoffs and the impact those numbers have on programs. After reviewing testimony received and potential placement of schools in each level (1A-8 and 1A-6), the group supported moving the cutoff back to 60-74 for 1A-8 for next year. They believe the proposed leagues allow for a viable regular season and state championship playoffs for each level. The group heard strong testimony during the meeting from a few 1A schools to pause the process and allow 1A schools to convene at the OADA Conference in April to finalize a plan. The Committee believes it has a responsibility to provide a workable football plan for the Executive Board on February 5 and understands that any decision to pause to provide more time would be at the Board's discretion.

Aligning Classification and Districting Petition to Play Down criteria for moving a team back up with the Football Ad Hoc Committee criteria

The group is recommending that the Executive Board align the Classification and Districting Committee's Petition to Play Down criteria for moving a team back up with the Football Ad Hoc Committee criteria for consistency in football. Currently, a school that met the requirements for a school-wide Petition to Play Down for all sports is subject to that policy's Dominant Team Sport Activity based on state championship success when determining if one of their teams should be moved back up to its original classification. The Football Ad Hoc Committee wants the Placement in a Different Classification – Football Only policy for moving schools back up that includes an in-class winning percentage of 67% or higher and/or advancing beyond Round 1 of any state championship to apply across the board.

Bracket Structure/Allocations

The Committee discussed bracket structure and is recommending the same overall bracket structure for 1A-6, 1A-8, 2A, 3A, 4A, and 5A as used in Fall 2023. The committee reviewed survey results from schools that had competed in the 6A Columbia Cup during either (or both) of the past two years. The group is looking for input on the 6A playoff structure and has asked the OSAA staff to send out a survey to all 6A schools prior to the next meeting. Draft playoff allocations are as follows:

Classification	Bracket Type	Allocations
1A – 6	12-team	SD-1 (3), SD-2 (3), SD-3(3), then three (3) at-large via Rankings
1A – 8	12-team	SD-1 (3), SD-2 (3), SD-3(3), then three (3) at-large via Rankings
2A	16-team	Each Special District receives 2 automatic berths, then four (4) at-large via Rankings
3A	16-team	Each Special District receives 2 automatic berths, then four (4) at-large via Rankings
4A	16-team	Each Special District receives 3 automatic berths, then the one (1) at-large spot is determined between the highest ranked team amongst the 4 th place teams of SD-1, SD-3, and SD-4
5A	16-team	SD-1 (2), SD-2 (2), SD-3 (3), SD-4 (2), SD-5 (2) then then (5) at-large via Rankings
6A	Seeking input on current format	Seeking input on current format

The OSAA staff will provide a committee update, like this one, to all superintendents, principals, athletic directors, and football coaches following each meeting. The Committee roster, charge, and any additional committee information is available at https://www.osaa.org/governance/committees.

Written suggestions and proposals should be emailed to the OSAA at krisw@osaa.org. Any communication received by the OSAA will be shared with all committee members for review and discussion.

The next public meeting of the Football Ad Hoc Advisory Committee is Wednesday, January 24th, 2024, at 10:00am.

The meeting will be conducted at the OSAA Offices in Wilsonville, and a Zoom option will also be available. The general format for the meeting will be for the Committee to receive public testimony followed by a closed work session. The goal is to have a recommendation ready for the February 6th Executive Board Meeting. The Committee appreciates your support and encourages your participation in this process.

Please contact Kris Welch (krisw@osaa.org) at the OSAA if you have any questions.
