SUBJECT: OSAA Football Ad Hoc Advisory Committee Update

The Football Ad Hoc Committee conducted a closed work session on Monday, May 10, 2021 via Zoom Conference to discuss placement recommendations for the Fall 2021 season.

After receiving no public testimony, the OSAA staff reviewed five pieces of correspondence that were provided to the Committee prior to the meeting.

OSAA staff began by reviewing the correspondence received since the last meeting. Two schools did request that the Committee review their current classification placement and the group spent considerable time in reviewing their past discussions and procedures related to this type of request.

There is consensus amongst the Committee that granting a one year play down exception is contrary to the goal of creating two-year home and away cycles and moving the teams would also impact teams and schedules in both leagues, the one they are leaving and the one they would be placed in. Both schools do have alternatives available including the options to play an Independent schedule, play a league JV schedule, or look for cooperative sponsorship opportunities. Given the above the group was unanimous in not supporting any additional school movements.

The group will recommend that the OSAA Executive Board adopted the attached school placements for Football in the Fall of 2021. The recommended allocations are outlined in the table below.

Recommended Allocations/Bracket Structure (see attached League/Special District recommendations)

Classification	Qualifiers	Allocation Method
6A	32	3 teams per SD, plus 11 via rankings
5A	16	3 teams per SD, plus 4 via rankings
4A	16	SD 1,2,5 (3 teams) and SD 3,4,6 – (2 teams), plus highest ranked #3 between SD 3 and 4
3A	16	SD1 – 6 teams, SD2 – 6 teams, and SD-3 – 2 teams, plus 2 via rankings
2A	16	3 teams per SD, plus 1 via rankings
1A		TBD

The OSAA staff will provide a Committee update, like this one, to all superintendents, principals, athletic directors, and football coaches following each meeting. The Committee roster, charge, and any additional committee information is available at <http://www.osaa.org/governance/committees>.

Written suggestions and proposals should be emailed to the OSAA at bradg@osaa.org. Any communication received by the OSAA will be shared with all committee members for review and discussion.
