## GRAND FINALE 2024

Welcome to all teams old and new! This information should answer any questions you may have concerning the Grand Finale. If you do have any further questions, you can contact the director for the Grand Finale, BJ Cerny, on Band.

**GOOD LUCK TO ALL!**

### WHO PARTICIPATES:

All competing teams IN COSTUME. This is a “grand” long-time tradition that the audience is awed by, not to mention a great experience for all the dancers to dance as one.

### FINALE REHEARSAL:

1. Dress in rehearsal clothes.
2. Please talk to team members about cooperation and no talking.
3. Please **know** your team # and the dance thoroughly **before** State. (“ONE” from “A CHORUS LINE”) The song is **not** straight off the sound track. You can download all versions possibly used, and also view a video of a Grand Finale performance at <https://www.ddcaoregon.org/membership-resources>

### PERFORMANCE:

The Grand Finale will be performed after All-State and Drill Down at the end of each night.

### ROUTINE INFORMATION:

Each session has three pages of information following this page. Please check your assigned team number and position on the floor, and **how many dancers should be in each line** according to your reported count. There are always **hundreds** of dancers in each session, so it is important to follow the set information, whether it be in single lines or team blocks. Line your team members up with **tall in the center and short on the ends**, even in each line of team blocks, since teams may link up with other teams for the kicks. Always anticipate some adjustments being made during the rehearsal. Everyone’s patience will be appreciated!

### LINE-UP POSITIONS BEFORE MUSIC STARTS:

1. All teams will line up on the floor to start. Teams will be excused by the announcer from their seats and once on the floor, can get their “kick-line-hold” spacing.
2. Remember, you are in full view of the audience when lining up:
  - a. No talking, move quickly, etc. - captains are responsible for their team.
  - b. Once spacing is set, stand at “attention” until announcer says “ready position.” Hit opening pose: All teams will start down on their left knee, head/arms down (don’t move), then be ready to smile and have a good time!!
