Good Morning,

The OSAA Staff wanted to get the following updates/clarifications out to member schools:

### **MAXIMUM CAPACITY LIMITS – INDOOR SPORTS AND ACTIVITIES**

Late yesterday afternoon, the Oregon Health Authority (OHA) updated the [Sector Risk Level Guidance Chart](#) for maximum capacity limits in Indoor Sports and Activities, effective immediately, to the following:

- High – Capacity: **Maximum 10% occupancy** or 50 people total, whichever is **larger**.
- Moderate – Capacity: **Maximum 20% occupancy** or 100 people total, whichever is **larger**.
- Lower – Capacity: Maximum 50% occupancy.

Note that indoor maximum capacity limits include all participants, coaches, officials, staff, spectators, etc. in the facility in this one number.

According to OHA, maximum occupancy means the maximum occupancy permitted by law. If the maximum occupancy is unknown, refer to the [Maximum Occupancy Resource for COVID-19](#).

We will continue to keep the membership informed of updates and clarifications from the Oregon Health Authority and the Governor's Office on their guidance as it comes available.

Please let us know if you have any questions.
