- 4-4-1c** – Modified the definition of forfeiture.

2025 NFHS POINTS OF EMPHASIS

The NFHS Baseball Rules Committee and the NFHS Board of Directors believe there are areas of the game of interscholastic baseball that need to be addressed and given special attention. These areas of concern are often cyclical, some areas need more attention than others, and that is why they might appear in the rules book for consecutive editions. These concerns are identified as “Points of Emphasis.” For the 2025 high school baseball season, attention is being called to: Use of Authenticated Mark Program balls, Proper Pitching Positions, Bench Decorum, Use of Props, and Improper Use of Electronic Communication Equipment. When a topic is included in the Points of Emphasis, these topics are important enough to reinforce throughout the academic year because they are not being given proper attention.

Use of Authenticated Mark Program Balls

The use of baseballs that have the Authenticated Mark printed on them proves that the conforming equipment is essential to the integrity of contests played under the NFHS rules. This program helps to promote a level playing field by ensuring consistency in the equipment being used. Using baseballs that hold the Authenticating Mark allows for the development of more sophisticated standards in balls and clearly communicates to administrators, coaches and officials that these standards are being met.

Pitching Positions

The premise of the pitching positions is very basic, it has evolved over the years to stay current with existing teaching styles and the increasing skill levels of high school age students. It is one of the most talked about and modified rules in the history of NFHS rules writing. We should always be cautious and concerned that the reasons to change the rule is never associated to the whims or trends of other levels of baseball. Pitchers are required to use one of two positions: the wind-up or the set. It is important that umpires, coaches, and players know what position the pitcher is using so they know which part of Rule 6 is in play. The position of the pivot foot determines which of the pitching positions is being used. In the wind-up position, the pitcher's pivot foot is in contact with the pitcher's plate and is not parallel to it. They may only deliver a pitch or step backward off the pitcher's plate with the pivot first. In the set position, the pivot foot is in contact with or directly in front of and parallel to the pitcher's plate.

Bench Decorum

Sportsmanship, or good sporting behavior, is about treating one another with respect and exhibiting appropriate behavior. It is about being fair, honest and caring. When these types of appropriate behavior occur, competitive play is more enjoyable for everyone. Coaches set the tone at athletic contests with their display of sportsmanship and respect. If these individuals act in a sportsmanlike manner, manage the students in their dugout/bench area, their behavior sets a positive tone for players, spectators and others.

Use of Props

Like Bench Decorum, there is no logical purpose to have props at an education based athletic event. They are not enhancing the educational value of the contest. In fact, they deter from any valuable lesson gained from competing. Unlike the collegiate and professional models, the use of props or any items to demean or embarrass one's opponent is contrary to the reason the NFHS writes playing rules for high school age and skilled students.

Improper Use of Communication Equipment

Last season was the first year of allowing one-way electronic communication devices from the dugout/bench to the catcher. It permits the coach to communicate with the catcher using an electronic communication device for the purpose of calling pitches and setting up the defense. The device would only be able to be one-way, meaning the player cannot use an electronic device to respond or communicate back to the coach. Various technologies, ear-piece style, electronic band or a smart watch could be used giving schools several options at varying costs. No other player would be able to wear or use this device nor would the coach be able to communicate with any other player using electronic communication.

2025 NFHS RULES INTERPRETATIONS

Requests for rule interpretations or explanations should be directed to the OSAA. The NFHS will assist in answering rules questions from the state associations whenever called upon.

OSAA ADOPTED BASEBALL RULES AND INTERPRETATIONS

The 2025 NFHS Baseball Rules Book will be used with the following clarifications:

1. **OSAA BASEBALL RULES BOOK OPTIONS:** Athletic directors and baseball coaches are reminded that Oregon treats the various options provided in the 2025 NFHS Baseball Rules Book as follows:

1-2-9	Oregon has not adopted the double first base.
1-4-4	To allow for special occasions, commemorative or memorial patches, that will be uniformly placed, not to exceed four square inches, to be worn on jerseys in an appropriate and dignified manner without compromising the integrity of the uniform. Schools must have OSAA approval.
2-33-1	Optional speed-up rules. (See below.)
4-2-2	<u>Score Differential Procedures</u> (<i>OSAA Handbook, Executive Board Policies</i>) (<i>Summer 2020</i>)
4-2-4	Contests shall be continued from the point of interruption per OSAA Executive Board Policy – <u>Interrupted Contests</u> . However, an athletic district may adopt a rule that the game will not be continued.
4-3	No ties permitted.

4-4-1a	State associations are authorized to specify the time frame and/or circumstances before a forfeit shall be declared for a late arrival by one of the teams.
4-5	Protests based on application of playing rules or on judgment of game officials will not be heard.
10-1-9	Umpires shall wear gray slacks, and navy-blue pullover shirt or state association-adopted shirt.

NOTE: Umpires are expected to enforce the rules as printed with the above options.

2. OPTIONAL SPEED-UP RULES *(may be adopted by an athletic district (league) but will be in effect for state playoffs and state championship games.):*

A. Courtesy Runners

- 1) At any time, the team at bat may use courtesy runners for the pitcher and/or the catcher. When a player enters as a courtesy runner, it counts as an inning played for that individual.
- 2) The same individual runner may not be used for both positions (pitcher and catcher) during the game.
- 3) Neither the pitcher nor the catcher will be required to leave the game under such circumstances.
- 4) Players who have participated in the game in any other capacity are ineligible to serve as courtesy runners.
- 5) A player may not run as a courtesy runner for the pitcher or the catcher and then be used as a substitute for another player in that half inning. If an injury, illness or ejection occurs and no other runners are available, the courtesy runner may be used as a substitute.
- 6) The umpire-in-chief shall record courtesy runner participation and also announce it to the scorer.
- 7) A player who violates the courtesy runner rule is considered to be an illegal substitute. Should an injury, illness or ejection occur to the courtesy runner, another courtesy runner for the pitcher or catcher may run.

B. After Putouts

- 1) After a putout in the outfield and with no runners on base, the ball shall be thrown to a cutoff man and, if desired, to one additional infielder before being returned to the pitcher for delivery to the next batter.
- 2) After a putout in the infield and with no runners on base, the ball shall be returned directly to the pitcher.
- 3) Following the final out in any inning, the ball shall be given to the nearest umpire. The plate umpire shall give the ball to the catcher. The base umpire shall place the ball on the pitcher's plate.

3. GAME BALLS: Schools are reminded that per NFHS Baseball Rules, the NFHS Authenticating Mark is required on all baseballs used for high school competition. This includes all levels of play (Varsity, JV, JV2, Frosh). For the regular season, any brand of baseball is legal provided it has the NFHS Authenticating Mark. At no time are baseballs required to have an OSAA stamp. During the OSAA state playoffs, teams are required to use the Wilson A1010-Pro. Also, remember that a minimum of three legal baseballs are required to start a game. Given our typical spring weather, it's a good idea to have more than that available.

4. VERBAL VERIFICATION FROM COACHES: The umpire-in-chief shall receive verbal verification from both head coaches that all participants are properly uniformed and equipped with bats that are unaltered from the original manufacturer's design and production and helmets that meet NFHS and NOCSAE standards are free of cracks or damage. There have been past reports of coaches responding with "I hope so" or "As far as I know." An answer along these lines is unacceptable. The appropriate answer is "Yes."

5. MULTIPLE BATTERS WARMING UP DURING DEAD BALL TIME: The batter and one on-deck batter are the only players that should be in live ball territory warming up during infield warm-ups, the pre-game plate meeting, just prior to the first pitch of the game, in between innings or during a stoppage of play, including during a pitching change. This is first and foremost a safety issue as we've all seen incidents occur with overthrows, wild pitches, etc. Any other players wanting to warm up need to be in a dead ball area protected from live ball play (i.e., behind the dugout or batting cages, etc.).

6. APPROPRIATE EQUIPMENT FOR SHAGGERS/PROTECTORS/WARM-UP CATCHERS: In order to continue low incident rates, we must be ever vigilant to identify potential risk areas and address them immediately. One area of concern is the "shagger" or "protector" — the non-player who is allowed on the field to keep foul balls from striking players warming up in the bullpens. Remember that in Oregon, that person is required to have a glove and wear a legal batting helmet that meets the NOCSAE standard. It's also important that the shagger/protector be facing the plate and paying attention to the action taking place. A second area of concern is protective gear worn by non-adult catchers warming up

pitchers. These players should be wearing a hockey-style mask and a protective cup when squatting to warm up a pitcher while the regular catcher is putting on gear. This same protective gear should also be worn by non-adult catchers warming up pitchers in the bullpen.
