OSAA / U.S. BANK / LES SCHWAB TIRES STATE CHAMPIONSHIPS

Welcome to the OSAA / U.S. Bank / Les Schwab Tires State Championships!

At the OSAA we believe high school activities provide opportunities for young people to receive a well-rounded education that challenges both mind and body. These opportunities enrich and expand our students' school experience and help them become contributing members of society.

Participation in activities teaches students how to be part of a team; the meaning of respect for themselves and others; and skills like grit, resilience, patience and the ability to collaborate with peers. They also learn how to fail and, more importantly, how to turn setbacks into success through effort.

Congratulations to all students, coaches, schools and communities who earned the right to participate in this state championship! And a special thanks to U.S. Bank and Les Schwab Tires for sharing our belief in the value of high school activities through their continued financial commitment. Together, we remain steadfast in our efforts to provide opportunities for today's students to experience these valuable lessons.

Thank you for your continued support of Oregon high school activities!

Peter Weber
Executive Director, OSAA

On behalf of U.S. Bank, welcome to today's Oregon School Activities Association state championship!

We believe in building strong communities where we live and work. One way we demonstrate this commitment in Oregon is by supporting OSAA programs, which promote leadership, teamwork and sportsmanship in young people. Since 1984, U.S. Bank has been proud to support the OSAA and its 290 member schools, with more than four million dollars in contributions to date.

We extend our congratulations to all of the participants, coaches, families and fans here today. We look forward to our continued partnership with you in support of Oregon's young people

Stacey Dodson
President, U.S. Bank
Portland and Southwest Washington

Welcome!

Whether students are shooting for the hoop, singing in the choir, marching in time or aiming for the end zone, they are practicing skills that will serve them well in school, on the job and in life.

Today, throughout the state there are 290 high schools serving over 180,000 students. These schools help provide valuable education for our youth both in and outside the classroom to help make Oregon a better place to live. Thank you for being here and for supporting our great young people.

At Les Schwab Tire Centers, we are proud of the players and performers of the OSAA. We are also excited to celebrate our 15th year of being a title sponsor. We believe in supporting students as they learn about commitment, hard work and serving the community — values the company believes in.

**Teamwork. Responsibility.

About the OSAA

The OSAA is comprised of 290 member high schools representing more than 200 Oregon communities. A private non-profit, board-governed association, the OSAA is sanctioned by the Oregon State Board of Education and is a member of the National Federation of State High School Associations (NFHS).

It's History

The OSAA began in 1918 when administrators from 36 schools recognized a need for an organization to coordinate and regulate high school interscholastic competition. Thus the Oregon State High School Athletic Association was formed. The name was changed in 1947 to reflect the inclusion of activities outside of traditional athletics.

Mission Statement

The mission of the OSAA is to serve member schools by providing leadership and state coordination for the conduct of interscholastic activities, which will enrich the educational experiences of high school students. The OSAA will work to promote interschool activities that provide equitable participation opportunities, positive recognition and learning experiences to students, while enhancing the achievement of educational goals.

What the OSAA Does

Much like the NCAA at the collegiate level, the OSAA regulates the eligibility and competition of all high school students in the state. This includes everything from determining which league a school will compete in to sponsoring and administering state championships.

Funding

As a private, non-profit organization, the OSAA does not receive any state funding. Revenue is generated from three sources: school membership fees, state championship gate receipts and corporate sponsors.

OSAA Activities

The OSAA sponsors 116 state championships for students competing in 19 interscholastic activities:

Fall

Cross Country, Volleyball, Soccer, Football

Winter

Cheerleading, Wrestling, Swimming, Basketball, Dance/Drill

Spring

Speech, Solo Music, Choir, Band/Orchestra
Golf, Tennis, Track & Field, Softball, Baseball
