# OSAA / ONPOINT COMMUNITY CREDIT UNION STATE CHAMPIONSHIPS

---

Welcome to the OSAA / OnPoint Community Credit Union State Championships!

As the OSAA enters its second century, we remain steadfast in our efforts to support and serve our member schools and their students. We live in a competitive society and while winning is often our goal, it is not our purpose.

Our purpose is not to teach students how to shoot a three-pointer or throw a curveball, but rather how to utilize the resilience, patience, and commitment that comes from endeavoring to achieve these goals to overcome adversity as they develop into contributing members of society.

Congratulations to the students, coaches, and school communities who earned the right to compete in this state championship! And a special thanks to OnPoint Community Credit Union for sharing our belief in the importance and value of high school activities through their continued financial commitment.

Thank you for your support of Oregon high school activities.

Since our founding in 1932, OnPoint has made it a priority to deepen our presence in the community by supporting students, schools and educators. ## About the OSAA

The OSAA is comprised of 290 member high schools representing more than 200 Oregon communities. A private non-profit, board-governed association, the OSAA is sanctioned by the Oregon State Board of Education and is a member of the National Federation of State High School Associations (NFHS).

## It's History

The OSAA began in 1918 when administrators from 36 schools recognized a need for an organization to coordinate and regulate high school interscholastic competition. Thus the Oregon State High School Athletic Association was formed. The name was changed in 1947 to reflect the inclusion of activities outside of traditional athletics.

## Mission Statement

The mission of the OSAA is to serve member schools by providing leadership and state coordination for the conduct of interscholastic activities, which will enrich the educational experiences of high school students. The OSAA will work to promote interschool activities that provide equitable participation opportunities, positive recognition and learning experiences to students, while enhancing the achievement of educational goals.

## What the OSAA Does

Much like the NCAA at the collegiate level, the OSAA regulates the eligibility and competition of all high school students in the state. This includes everything from determining which league a school will compete in to sponsoring and administering state championships.

## Funding

As a private, non-profit organization, the OSAA does not receive any state funding. Revenue is generated from three sources: school membership fees, state championship gate receipts and corporate sponsors.

## OSAA Activities

The OSAA sponsors 113 team and 426 individual event state championships for students competing in 19 interscholastic activities:

### Fall

Cross Country, Volleyball, Soccer, Football

### Winter

Cheerleading, Wrestling, Swimming, Basketball, Dance/Drill

### Spring

Speech, Solo Music, Choir, Band/Orchestra  
Golf, Tennis, Track & Field, Softball, Baseball

## Button History

Since 1998, wrestling state champions, tournament committee members and other volunteers have received a commemorative button. Its idea belongs to DeLance Duncan, former high school wrestling coach at Klamath Union and David Douglas, where he led the Scots to the 1966 4A championship. Duncan, a champion of Oregon prep wrestling history, solicited the assistance of artist Monrad Bjorge, who created the first button in 1991. It was a fitting choice by Duncan since Bjorge also claims a wrestling background. He won the 136-pound state championship in 1961, helping David Douglas to capture the state championship just ahead of Duncan's Klamath Union Pelicans.

A new chapter was added to the button story in 2005 when Putnam High School art teacher and wrestling coach John Telemanich was selected to continue Bjorge's legacy as designer.
